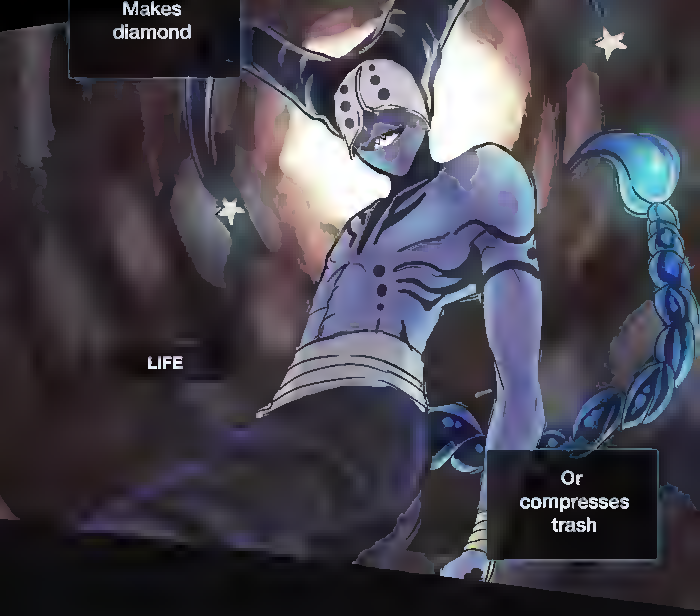
SWF

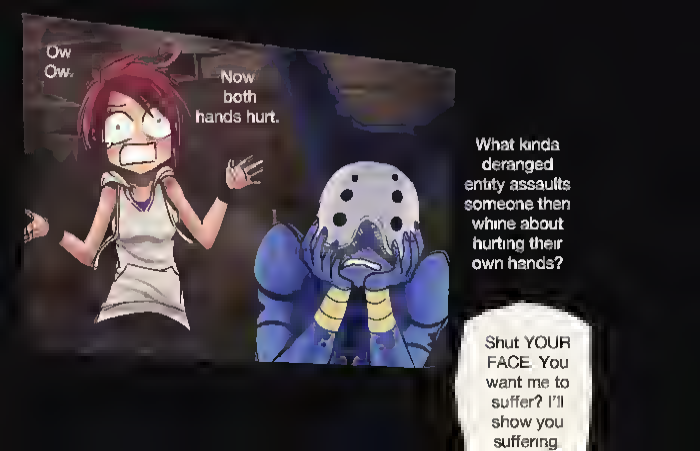
A year seven months ago

Back to the bottom of the dark pit huh?
How long have I been here... 3 years?
The gap to the surface widens.



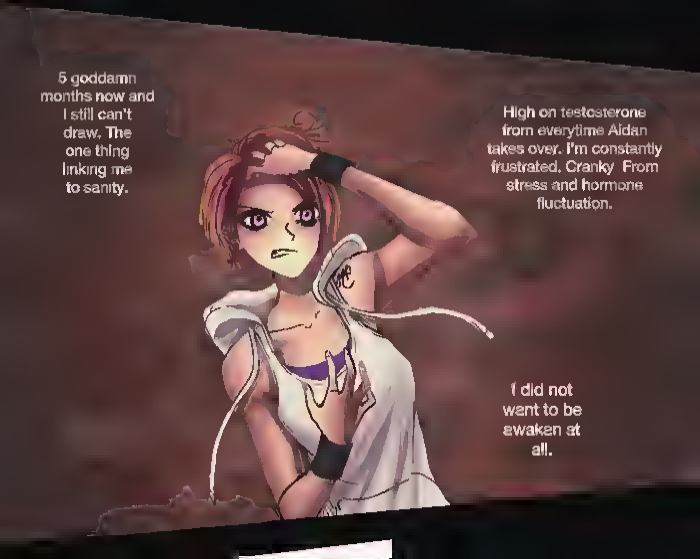
Which one will you be?

*2 months later
WHOOPING YO ASS, that's what I'll be doing.
Cam/Domina
Female Side
*when one side gets stressed out. The other takes over.



Ow
Ow.
Now both hands hurt.
What kinda deranged entity assaults someone then whine about hurting their own hands?
Shut YOUR FACE. You want me to suffer? I'll show you suffering

I'll tear this cursed place down brick by brick and bash your face in with each
I'll beat you until your own mother doesn't recognize you!
Life whispered you crazy beech
I said, Yeah, You trained me well.
He left me alone for awhile.



5 goddamn months now and I still can't draw. The one thing linking me to sanity.
High on testosterone from everytime Aidan takes over. I'm constantly frustrated. Cranky From stress and hormone fluctuation.
I did not want to be awaken at all.

I'mma SLAUGHTER EVERY DAMN THING I SEE!!!
RUSTLE~
